## SUMMARY

I am an Industrial Engineering student at Hacettepe University who is eager to learn new things and enjoys working in teams. I have been involved in a student community for 2 years, worked as a teacher at a corporate educational institution for one and a half years, and I am currently managing field operations for a StartUp.

## EXPERIENCE

**GÜVENLİ YAŞAM SAVUNMA SANAYİ** 2025 September-

CANDIDATE ENGINEER

• Conducted incoming, in-process, and final quality inspections; prepared quality sections of feasibility reports and created FAI documentation.
• Supported EYDEP audits, contributed to quality system improvements, and planned calibration activities to ensure accuracy and traceability.
• Assisted production planning by prioritizing work orders based on capacity, material availability, and deadlines; monitored stock levels and supported MRP processes.
• Analyzed variances between planned and actual outputs to identify bottlenecks and improvement opportunities. çevir bunu
